Safar

The month of Safar is one of the twelve months of the Hijri calendar. It is the month that comes after Muharram. Some of them say that it was so called because Makkah was emptied of its inhabitants [the verb used in Arabic to describe this comes from the same root as the name of the month Safar], when they travelled during this month. It was also suggested that they called it Safar because they used to fight other tribes during this month, and they would leave whoever they met with zero (sifr) goods (i.e., they would plunder his goods, leaving him with nothing). See: Lisan al- Arab by Ibn Manzoor (vol. 4, p. 402-403).
